

ECCK Webinar on the Serious Accidents Punishment Act

What Businesses Need to Know and Prepare

EVENT OUTLINE

Members of Kim & Chang’s SAPA Practice Group, comprised of professionals from White Collar Defense, Environment, Health & Safety and Labor & Employment practices, will discuss the following, among other things, at this webinar:

- Quick overview of the Serious Accidents Punishment Act (the “SAPA”)
- Key questions
 - Who is the Responsible Management Personnel, who has the duty to secure safety and health under the SAPA?
 - What is different between the existing Occupational Safety and Health Act regime and the SAPA regime?
- SAPA compliance: what businesses should do from now and January 27, 2022 (i.e., the effective date for businesses with 50 or more employees)
 - Common approaches being adopted by companies to comply with the SAPA
