

ECCK x PERSOLKELLY Korea – Learning Program 2

EVENT OUTLINE

'The emotionally intelligent leader'

The first module is 'Emotional intelligence fundamentals'. Through the E.I framework, we can examine ourselves and question myself am I the right person to be the leader of this era.

The program proceeds as follows.

- (1) Self awareness: Recognition of one’s own emotions
- (2) Social awareness: Recognition of others’ emotions
- (3) Self management: Ability to manage one’s emotions
- (4) Social skills: Ability to influence and manage others’ emotions

***This webinar is presented in an interactive workshop format.**
