Why Korea

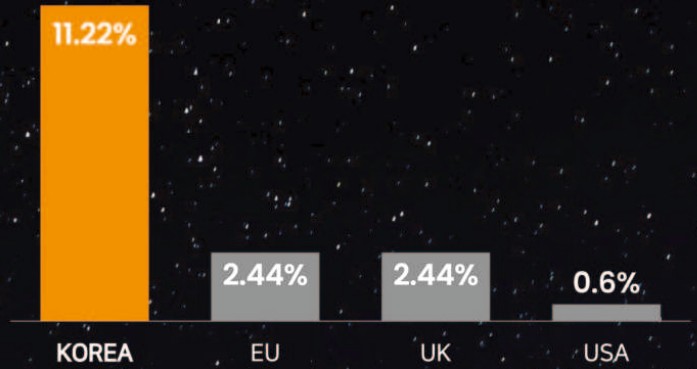

Space Industry Market Growth

2023 korea market growth

11%

KOR : Korea Space Industry Foundation (2022-2024)
 U.S. : U.S. Bureau of Economic Analysis (2022-2023)
 EU : ESA - Report on the space economy (2024)
 UK : Eurospace - UK Aerospace Report (2022-2023)

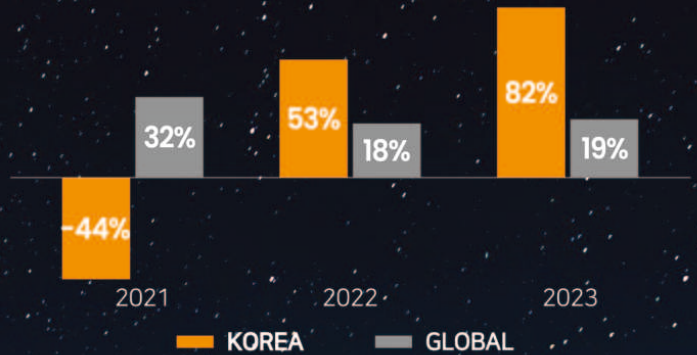

Aviation MRO Market Growth

Korea CAGR Global CAGR

22% 7.8%

KOR : KAIA - Korea Aerospace Industry 2024-2025
 GLOBAL : Oliver Wyman - Global fleet and MRO market forecast (2021-2023)

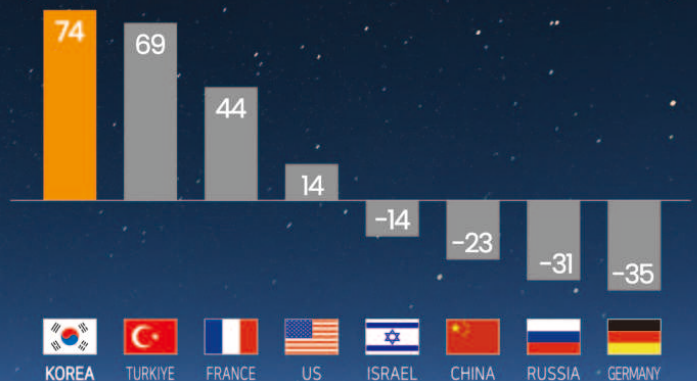

Defense Industry Market Growth

Korea CAGR

74%

SIPRI, 2022 Trends in International Arms Transfers (2022)

Korea's Next Growth Space

- 2022 : 7th achieved independent launch capability
- 2024 : KASA (Korea Aerospace Administration) launched
- 2025-2027 : Annual Nuri (75-ton-class) launches
- 2045 : Aims to be the 5th Powerful Aerospace Country

New Space

Satellites	Launch Services	Space Applications	Semiconductors

Korea's Aerospace Cluster – Gyeongnam

AEROTEC Overview

Title

AEROTEC 2026

International Aerospace Technology Fair 2026

Scale

250 Exhibitors, 500 Booths, 15,000 Buyers

Date

Sep 30(Wed) - Oct 2(Fri), 2026

Venue

CECO, Changwon, Korea

Hosts

Organizers

Sponsors

Government Agencies

Research Institutes

Industry Development & Support Organizations

Associations

Exhibit Items

Key Sectors

Space

- Launch vehicle
- Satellite Development
- Disaster Response
- Space Security
- Navigation
- Exploration

Defense

- Service
- Weapon System
- Unmanned System
- Security System
- Information and Communication

UAM

- Airframe / Parts
- Navigation / Transportation
- Infrastructure
- Service
- Core Technology

Aviation

- Radar
- Windshield
- Engine / Airframe
- Air-Cooling System
- Electrical Device
- Flight Coordination

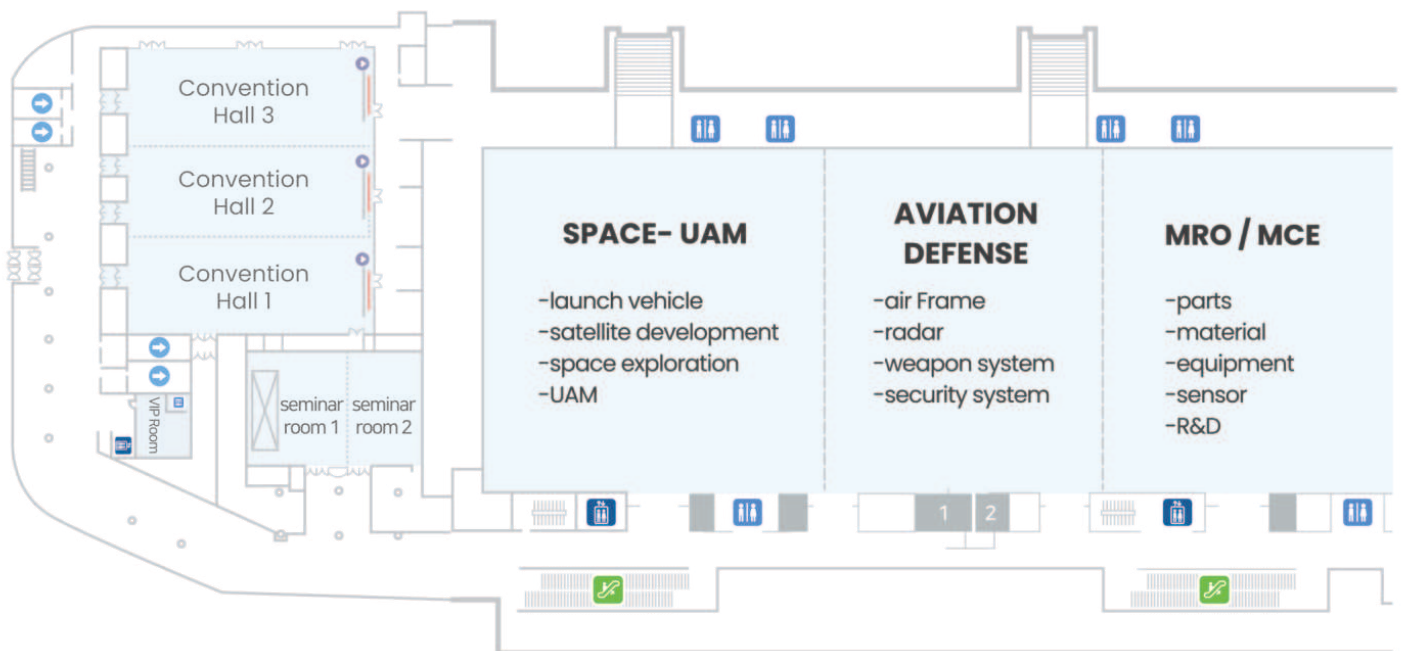

Aviation MRO

- Operation Maintenance
- Airframe Maintenance
- Engine/Parts

Aerospace MCE

- Parts/ Material
- Sensor
- R&D Technology
- 3D Printers
- Parts Manufacturing Equipment
- Test / Measurement Equipment

Show Map

Participation Guideline

Space Only

3m wide x 3m long
(min. 2 booths)

Booth in which exhibitor is provided only exhibition area by sponsor and exhibitor selects designated service company for autonomously installing and decorating.

✓ Early Bird - Until March 31, 2026

\$ 2,700

✓ Regular Rate - From April 1, 2026

\$ 3,000

Shell Scheme

3m wide x 3m long

Booth of constructing assembly type device article in batch collectively for convenience of exhibitor.

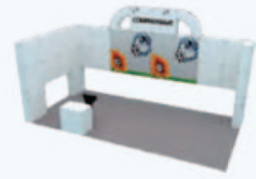

✓ Early Bird - Until March 31, 2026

\$ 3,200

✓ Regular Rate - From April 1, 2026

\$ 3,500

Premium

3m wide x 3m long
(min. 2 booths)

A booth where the organizer provides and constructs high-quality structures en masse for the convenience of participating companies.

✓ Early Bird - Until March 31, 2026

\$ 3,700

✓ Regular Rate - From April 1, 2026

\$ 4,000

Sponsorship

✓ Option 1 - Banner logo

✓ Option 2 - Invitation

✓ Option 3 - Lanyard

✓ Option 4 - Newsletter

✓ Option 5 - Official website

✓ Option 6 - Exhibition Bags

✓ Option 7 - Registration Hub Branding
